Yearbook Information

Bridlewood Broncos:

There will be a yearbook this year, however it will be very delayed due to the COVID outbreak.

The plant that prints the yearbooks (here in Dallas) had to shut down in March, and is awaiting the all clear to reopen and begin printing. The company is projecting a late June/July delivery date. After much thought, the best option is to have the yearbooks available at Meet The Teacher. We will send information in the Bronco Buzz if this should change. *Fifth grade students/parents- we are working on the best solution to get your books to you and will let you know when we have a plan.

Thank you for your patience and understanding,

Miss Owen

LAST DAY OF SCHOOL

The last day of school for students is May 21. Teachers will soon be communicating with students about the last week of school, the opportunity to finalize any assignments, and plans to close out the school year.

NEW STUDENT ENROLLMENT

Are you enrolling a new student in LISD for the 2020-21 school year? Since campuses are closed, all enrollment processes will be done virtually, including document collection. This includes new incoming kindergarten and Pre-K students. Learn more on the [enrollment webpage](#).
