

Message from Mrs. Block:

Thank you for a great first week back!

We appreciate your patience as we've tried new methods for safely dropping off and picking up your children.

LISD sports seasons will be kicking off soon, and we know many of our families may be interested in attending games. Due to the ongoing pandemic, University Interscholastic League (UIL) guidance has been issued for all Texas school districts to follow, including limiting game attendance to 50% capacity.

If you are interested in attending athletic events this fall, we ask that you review [LISD's general guidelines for spectators and tickets](#). Specific guidelines will vary by campus and questions should be directed to the administration office at the campus for the game you would like to attend.

From the Counselor:

Dear Bridlewood Families,

As we are still adjusting to our back to school routines, I wanted to provide you with a few resources that may help iron out any bumps you may be having with routines, homework, and making friends. Please check out our September Counselor [Smore](#). I am also including the annual back to school [flyers](#) again provided by the LISD Counseling Department for you to review.

Please let me know if I can help answer any questions.
