IMPORTANT INFORMATION!

LEARNING PATHWAY CHANGES

As a reminder, this Friday, Oct. 2 is the deadline to make changes to your child's learning pathway for the 2nd 9-weeks, which begins Oct. 19. The learning pathway change form can be found in your [Skyward Family Access](#) account. **If you do not intend to change your child's learning pathway, you do not need to take any action.** If you do not complete the change form, your child will remain in their current learning pathway. For technical help, please reference LISD's [Sept. 16 family update](#).

The next opportunity to change your student's learning pathway (for the 3rd 9-week grading period) will be at the end of the 2nd 9-week grading period. The window for the 3rd 9 weeks change will open in late November.

LISD COVID CASE TRACKER

We have received many questions about lab-confirmed COVID-19 cases and how the district is tracking and reporting this information. Tracking these numbers and keeping them accurate and up-to-date is not an automated process or system. We are doing our best to keep our families informed, while also being as accurate as possible in our reporting. We thank you for your patience and grace as we have worked through some of the kinks throughout the first three weeks of in-person learning. Please know that we absolutely understand decisions about learning pathways rely a great deal on what our case numbers look like on our campuses.

With that said, we wanted to let you know that as of 4 p.m. on Tuesday, Sept. 29, the number of lab-confirmed ACTIVE COVID-19 cases on our campus is zero. We also wanted to let you know beginning Oct. 12, the district will report ACTIVE lab-confirmed cases on a DAILY basis at [LISD.net/COVIDtracker](#). Daily case numbers will be collected starting at 4 p.m. each day, and will be updated on the website the following day by 10 a.m.

From the Counselor:

Dear Bridlewood Families,

This week we started our Red Ribbon Campaign lessons during SEL time. Our lesson was on Self- Respect (which is also our character trait for October). Please view the district [flyer](#) for conversation starters.
